

FDNY Incident Management Team

SITUATION REPORT	INCIDENT FDNY COVID-19 Response	OPERATIONAL PERIOD Dates: 3/27/2020 Times: 0700-1700	REPORTING UNIT FDNY IMT	ICS FORM 209
------------------	------------------------------------	--	----------------------------	-----------------

The following reports on activities for the period shown:

CURRENT SITUATION

- The FDNY continues to monitor the outbreak of COVID-19 and its effects on the population of New York City as well as the departments members.
- The top priorities for the FDNY are to protect the workforce, ensure continuity in the PPE supply chain, provide COVID-19 messaging to all employees and maintain a call center for all FDNY members that BHS places in the monitoring program.
- As reported by the FDNY Bureau of Health Services the FDNY currently has **206** (Fire **171** - EMS **35**) employees who have tested positive for COVID-19.
- The Executive dashboard from FDNY GIS is currently shared with the FDNY IMT to track fever/cough responses throughout the day.
- During the operational period from 0000hrs to 0900hrs there were a total of **77** fever/cough runs responded to.
- Diamond Plate has a link on the front page containing COVID-19 information.
- FDNY IMT is tasked with providing COVID-19 specific PPE to the following locations: Battalion Chief firehouse locations, EMS Divisions, EMS Academy, Fire Academy, PSAC 1, PSAC 2, BHS, Family Assistance Unit, EMS Bronx Tactical, EMS Queens Tactical, Haz-Tac Battalion, OMA, FDOC, Pharmacy, and Rikers Island to adequately supply PPE to protect the workforce. **Any requests from other units or bureaus will be considered on a case by case basis.**
- Cleaning companies have started to disinfect Firehouses & EMS stations. Priority will be based on how many members from those Firehouses and EMS stations have the most COVID-19+ members.
- Providing access to updated data and timely reports for FDNY Executive Staff and the workforce.
- The FDNY IMT continues to produce a daily update to keep FDNY employees informed of pertinent incident information.
- FDNY IMT has an active call center to track FDNY employees being monitored by BHS.
- Continue to identify alternate supply chain options to meet FDNY PPE needs while consolidating Operations & Logistical resources.
- FDNY GIS continually creating digital survey forms to further support operations for situational awareness and proper planning based on real time information received.
- Disseminate messaging internally throughout the FDNY for members. For additional information on COVID-19 in surrounding areas go to <https://www.cdc.gov/coronavirus/2019-ncov/cases-in-us.html>
- An incident email address has been established – FDNYIMT.Covid19Response@fdny.nyc.gov
- Finance has established an incident email address for individuals offering information on PPE supplies. Please direct them to fdnyimt.purchasing@fdny.ny.gov
- Fire / EMS members who are nurses are being asked to assist BHS as call takers. If interested, please email ThomasD.Hackett@fdny.nyc.gov the following information: Name, Last 4 SSN, Reference #, Medical License # & expiration, Group #, Rank, Cell #.
- Yesterday was a historic day for EMS call volume with a total of 6,043 call received.

CRITICAL ISSUES

- Monitor Burn Rate and estimate potential Burn Rate based on new treatment and response protocols.
- N95 mask supply & demand will be strictly enforced. Target rate – 300 per day. Additional N95 masks needed will be approved by the Chief of Operations for Fire units or the Chief of Operations for EMS units

ACCOMPLISHMENTS

- For yesterday's operational period **84** deliveries were made of those **1** were after the days operational period.
- The new SCBA Decon procedure has been submitted to Fire & EMS members of the department.
- A donation of 51,000 N95 masks have been delivered to the FDNY.
- FDNY apparatus will be disinfected when they are taken for Preventative maintenance.
- FDNY & EMS members who are nurses have been approved to assist BHS.
- A video on APR usage has been placed on Diamond Plate for Fire & EMS members to review.

PLANNED ACTIVITIES (next 24 – 72 hours)

- Logistics will be demobilizing vehicles no longer needed.
- Call center bravo will be created at BHS and will be staffed with light duty officers.
- No touch thermal thermometers at PSAC 1, PSAC 2 & FDOC will be in operation next week.
